

# Frankie

My name is Frankie. But, for those of you who know the old song about "Frankie and Johnny," there is no Johnny. (There's no Annette either, in case any of you were into those Beach Blanket Bingo movies.) Nope, there's just darling me, Frankie, looking for a home where I can be the queen bee. You see, I'm not crazy about other kitties and I'm not even all that crazy about playing - all I want is to be with my people. I like to hang out, snuggle, have my head rubbed and chat -- oh yes, I'm quite the conversationalist. Although I am still getting used to my new situation, which can make me a little skittish at times, I've been told I'm the most snuggly girl ever. If that means that I will crawl all over you until you rub my head and belly, well, then yeah, I'm snuggly. I have been spayed, microchipped, tested negative, and am up to date on all my shots. And, hey, if you'd like to see me in action, check out my video at <http://www.youtube.com/watch?v=unwYRf2QILM>.
