Hi there! We are three cool cats currently stuck in the Rohnert Park Shelter and looking for a real home. Would you like to meet us?

Tula Belle: I am a confident and friendly girl. I like to be held, and I enjoy playing with balls. I am about a year old. Other cats are not my cup of tea; I prefer humans.

Portia: In addition to my striking coloring, I have a vibrant and friendly personality. I'm a chatty girl! I don't get along well with other cats, although that may just be because living here in the shelter is making me stressed out and cranky.

Baloo: I am a feisty, playful boy about a year old. I'm not aggressive, but sometimes my energy can be a little overwhelming for most other cats. I'm very friendly with people, and I'd really love to get out of this cage and burn off some energy!

We are all healthy, tested negative for FIV, FeLV, and heartworm, vaccinated, dewormed, microchipped, and spayed or neutered.
