Hi! My name is Mickey, and let's get one thing straight: I am NOT a mouse. I'm also not a boy. No, I'm a girl Mickey who's approximately 4 to 5 years of age and very sweet and loving. I was found in the same colony as another kitty who needs a home (Chommers), so we may be related. I would be ever so grateful if you could see it in your heart to give me a home. I love Whiskas treats and will do anything for a treat. And, lest you think I'm fat from my pictures, let me tell you that it's ALL fur. Really. I'm just a big puff ball and maybe weigh six pounds. Anyway, I've been told I'm really funny to watch and would do well with someone who would give me a lot of love. I am fine with other kitties but might be a little afraid of dogs. So if you're looking for a young girl who will give as much love as she gets, that's me!
