Hi there! I am Truman, and I'm a young gentleman 5 to 6 years of age who needs a home -- even a temporary one -- as soon as possible. I think I should tell you, first of all, that I'm much better looking and much HAPPIER than this picture would indicate. On the other hand, if this sad "won't-you-give-me-a-home-please" look is working on you, then I have no problem with that. Anything that will help me find a new home. I'm a cuddly kind of guy who will greet you at the door, twine around your legs, and follow you from room to room to keep you company and show you how much I care. I'm that kind of guy. I am also very laid back and good with other kitties (I have a pal named Tinker, if you're looking for two) and even with dogs. If you would like more information on me, please call Vianni as soon as possible. Thank you!
